Overview

ÖZVER İNŞAAT was established on December 16th, 1986. Since its establishment, it has become one of the most dynamic and active contracting companies in the sector.

ÖZVER İNŞAAT adds value to its country and national economy by providing direct employment to hundreds of employees working at its work sites.

Our Vision (Our Dream):

We take our strength from our business approach shaped by courage, innovativeness and prudence. Our vision consists of three main components with this strength:

- 1) To be the most preferred enterprise employing the best.
- 2) To be a group held up as an example by everyone with management mentality and systems.
- 3) To have a high-yield and elite business portfolio.

Our Mission (Our Reason for Being):

To enrich our country, geographies we exist and all our stakeholders with our innovative, courageous and prudent business approach.
